

SHRI KK SHETH PHYSIOTHERAPY COLLEGE, RAJKOT-7

Master in Physiotherapy

Master of Physiotherapy is a mile stone in the development of our college as well as our non profit oriented trust run by Shri GT Sheth Medical Foundations, Rajkot. Inauguration of the programme of MPT course was held on 13th Aug 09 by our managing trustees. Our college has stepped in to full time two year MPT programme in below mentioned fields with our eminent teachers in the academic year 2009-10.

MPT- Musculo Skeletal & Sports

MPT- Neuro Muscular Conditions

MPT- Cardio Pulmonary Conditions

Research Laboratory :-

To fulfil the requirement of the students, we own a well equipped research laboratory in the area of physical therapy with imported high-profile equipments. The below mentioned scientific research equipments were added newly to our physical therapy department.

- EMG & NCV- Electromyography and Nerve conduction Studies- for Kinesiological studies & for the diagnosis of Muscular & Nervous pathologies
- Computerized Spirometer- Pulmonary Function Test
- Anaerobic Ergometer- for Wingate Test & other anaerobic tests
- Computerized Motorized Treadmill with static & dynamic ECG recording
- Multi Exerciser (8 station)- GYM for various exercise protocols.

We are ensuring individual training programme for each student & innovative teaching methods and the same will mould the confidence of the students. Extreme training of practical skills in the relevant areas will enhance the independence & confidence in their practice.
